Subject: **National Educator Survey re: Social and Racial Justice in Education**

Dear State Affiliate Presidents,

As part of NEA's priority of promoting social and racial justice in education, we will be surveying members about issues of race, identity, and their relationship to the Association. This email is to notify you that your members may be asked to participate in an online survey sponsored by NEA. The invitation to participate will be sent to a random sample of members nationally. If you receive questions about this email or survey from your members, please advise them that the survey is legitimate and please encourage them to participate. The e-mail text is pasted below.

Thank you for your cooperation.

Best,
Lily
