

Assessment Literacy

Central/Southern Regional Training Event

Understanding why we assess, what we assess, how we assess, and how we communicate the results of assessment is crucial to informing instructional decision making and improving student learning. This hands-on workshop provides a framework for maximizing your classroom assessments and engaging your students in meaningful assessment practices. Participants are encouraged to bring their classroom assessments. The workshop will begin at 10 a.m. and end at 3 p.m. **Lunch and clock hours will be available.**
